

**“I can make a difference in my patients' lives by caring about them, being there for them and listening to them. I’m open to their feedback because I always want to improve.”**

#### **About Atza Acosta Feliciano, MD**

Dr. Atza Acosta Feliciano is board certified in family medicine. She knew at a young age that she wanted to help people achieve better health. Her passions are helping others, having a positive impact in their lives and promoting social justice.

“Seniors are the most caring, nicest people,” says Dr. Feliciano. “I can make a difference in their lives by caring about them, being there for them and listening to them. I’m open to their feedback because I always want to improve.”

Dr. Feliciano likes to travel, learn about other cultures and spend time with her sisters, nieces and nephews. She is a huge fan of karaoke, food and art. She has a love for the outdoors and talking to others about God’s many blessings.
