

**“I firmly believe in disease prevention and health promotion.”**

#### **About Tien Nguyen, FNP-BC**

Tien Nguyen is a patient-focused family nurse practitioner who grew up as an immigrant in the United States. She says she is driven to deliver “compassionate, high quality care to a diverse patient population.” Tien Nguyen values holistic approaches to medicine and strives to ensure everyone has access to exceptional care. Her favorite part of her profession is empowering and educating her patients. “I firmly believe in disease prevention and health promotion,” she explains. She loves seeing her patients take control over their health.

To unwind after work, Tien Nguyen enjoys visiting the beach and listening to music. In the future, she hopes to travel to her native country, Viet Nam, as well as other countries in Southeast Asia.
