MY CENTER

“By understanding the whole person and working to reach our health goals, we develop a sense of mutual understanding and trust.”

About Cynthia Paige, MD, MBA, FAAFP

Dr. Cynthia Paige, who specializes in Family Medicine and Acupuncture, has been caring for patients for over thirty years. “I still love what I do on a daily basis,” she says. Dr. Paige emphasizes patient-centered care in her practice and enjoys connecting with each patient and their families. “By understanding the whole person and working to reach our health goals, we develop a sense of mutual understanding and trust,” she says. Dr. Paige loves helping her senior patients “stay active and independent by managing their medical conditions.”

In her spare time, Dr. Paige enjoys exercising, spending time with family, and eating good food. She takes pride in helping patients “reach their fullest potential” every day.
