#### **About Manuela Cismaru, MSN, APRN, NP-C**

As a nurse practitioner, Manuela Cismaru loves assisting patients with reaching their goals. “I enjoy encouraging others and educating them as much as I can,” she says. Manuela Cismaru strives to give patients her full attention. “I sometimes repeat what they say to make sure I addressed all their concerns,” she explains. Manuela Cismaru wants patients to feel comfortable confiding in her and “appreciates those who want to take charge of their care.” She is grateful for the opportunity to guide the senior population “to maintain a healthy lifestyle.”

When not with patients, Manuela Cismaru enjoys playing outside sports with her sons. She also likes cooking and exploring new restaurants and bakeries in her community.
