

**“Providing a listening ear, a smile, and kind words can change a person’s perspective, especially when it comes to their health. ”**

#### **About Janell Miller, APRN**

Janell Miller, a nurse practitioner, loves making a difference in people’s lives. “Providing a listening ear, a smile, and kind words can change a person’s perspective, especially when it comes to their health,” she says. Janell Miller values communication and trust in her practice. Seeing patients’ health improve is her favorite part of her job. “I want every potential patient to know most and foremost that I am here for them, they are not just a number, they will be treated with respect, dignity, and they are family,” she says.

In her spare time, Janell Miller can be found reading on the beach or spending time with her family. They especially enjoy hiking and watching movies. She also loves playing and watching basketball.
