

“I like to establish relationships with patients through trust, active listening, and humility.”

About Fabian Rodriguez, MD

Dr. Fabian Rodriguez studied Agronomy and Horticulture before realizing his true passion is medicine. “My interest in research and service to others grew,” he explains. He likes establishing relationships with patients through trust, active listening, and humility. His favorite part of being a physician is providing patients with “unbiased, evidenced-based education for their general health and wellbeing.” He believes in shared decision-making and always considers each patient’s individual needs and values.

In his free time, Dr. Rodriguez likes visiting cultural centers and enjoying the outdoors with his family. He also loves visiting historical museums. Dr. Rodriguez is a proud member of the Air Force Reserves as a Flight Surgeon.
