"Building a strong relationship and creating a bond with patients is crucial for providing effective and compassionate healthcare."

About Yasser Martull Pena, MD

Dr. Yasser Martull Pena's interest in medicine and desire to help people led him to pursue a career in healthcare. He enjoys caring for "a diverse patient population with a wide range of medical conditions" and is grateful for the opportunity to develop "long-term relationships" with his patients. He explains, "Building a strong relationship and creating a bond with patients is crucial for providing effective and compassionate healthcare." He employs "empathy and active listening, respect and dignity, and clear communication" to build a relationship with his patients. He finds it "incredibly rewarding" to care for the senior population.

When not with patients, Dr. Pena can be found enjoying time with his family or playing chess.
