

“Educating patients and helping them understand that health is not just the absence of disease but maintaining harmony and balance of mind, body, and spirit.”

About Ramon Gutierrez, DOM, AP

Dr. Ramon Gutierrez is passionate about preventative medicine and promoting a healthy lifestyle. His favorite part of his profession is “educating patients and helping them understand that health is not just the absence of disease but maintaining harmony and balance of mind, body, and spirit.” He strives to empower his patients and wants them to know that he will be there with them every step of the way. “I will take this journey with my patients,” he says. He loved caring for his grandmother and explains that her passing motivated him “to continue helping seniors.”

In his free time, Dr. Gutierrez loves spending time with family, engaging with the church, and traveling. He also enjoys cooking Filipino breakfasts.
