

“I love people, and as a doctor, I get to spend time establishing and strengthening relationships every day.”

About Steve Stonehouse, MD

Dr. Steve Stonehouse chose to pursue a career in medicine to “partner with people in trying to achieve better health.” He enjoys getting to know his patients’ stories, priorities, values, and goals. “I love people, and as a doctor, I get to spend time establishing and strengthening relationships every day,” he says. He explains that he wants to help patients “improve their health according to their agenda.” In his free time, he loves fishing, exploring new places, and spending time with his extended family.

Dr. Stonehouse proudly served as an active duty Air Force physician for nine years. Additionally, he had the opportunity to work as a doctor in Turkey, Uzbekistan, and Azerbaijan over the course of eighteen years.
