About Maryam BayatMokhtari, MD

Dr. Maryam BayatMokhtari explains that her mother “painted our existence through the lens of nature’s wisdom,” which sparked her interest in medicine. “The teachings of our bodies, like sacred stories, began to captivate me from a young age. As I embarked on the journey of scientific education, this connection deepened and continues to thrive within me to this day,” she explains. She is dedicated to helping patients “lead healthier, more fulfilling lives.” She adds, “My goal is to create accessible, comprehensive, and practical healthcare plans that cater to their well-being.”

Dr. BayatMokhtari is family-oriented and values quality time with family. She also loves trying to recipes to share with loved ones.
