

“I am most driven by helping those in the most vulnerable time of their lives.”

About Aditi Bhardwaj, MD

Dr. Aditi Bhardwaj says she always knew she “wanted to give back to the future elderly.” She explains, “I am most driven by helping those in the most vulnerable time of their lives.” She loves seeing her patients smile and wants them to know that she will always be there for them. “I hope to provide them comfort and preventative measures so they can live the best quality of life,” she explains. She prides herself on being attentive and open minded with her patients and always provides patients with “appropriate, evidence-based management for better health outcomes.”

Dr. Bhardwaj loves spending her free time with her family and friends. She also enjoys hiking, practicing yoga, and reading thriller novels.
