

“I am here to teach you about your medical conditions and give you the tools you need to make the best decision for yourself.”

About Meloudi Sartipi, MD

As a physician, Dr. Meloudi Sartipi is “passionate about teaching and shared decision-making.” She explains, “I am here to teach you about your medical conditions and give you the tools you need to make the best decision for yourself.” She loves building meaningful connections and trusting relationships with her patients. “I always explain what I am doing and why, so they understand,” she says. She wants her patients to feel heard. She finds it especially rewarding to care for the growing senior population. “I learn a lot from my patients,” she says.

In her free time, Dr. Sartipi can be found enjoying the outdoors through hiking, kayaking, and scuba diving. She also enjoys painting, reading, and salsa dancing.
