

"I feel like I have done my job when my patients feel heard. It's vital for a doctor-patient relationship and building that trust over time."

About Fallon Banton, MD

A love of science and a desire to help others led Dr. Fallon Banton to the medical field. She loves taking the time to get to know her patients. "I feel like I have done my job when my patients feel heard. It's vital for a doctor-patient relationship and building that trust over time," she explains. She adds, "By better knowing a patient, I can share in the highs and lows in a more meaningful way." She strives to treat patients how she would want her friends and family to be treated. She is committed to lifelong learning and enjoys sharing experiences with collegues.

Dr. Banton enjoys cooking, traveling, and spending time with her family. She shares that she is the first person in her family to pursue higher education.
