

“I love empowering patients to enhance their well-being.”

About Moiz Zahid, MD

Dr. Moiz Zahid’s interest in healthcare began at a young age. He explains, “As a child, I witnessed a family member’s struggle with chronic illness, and the compassionate care they received from medical professionals left a mark on me.” Connecting with patients is his favorite part of being a physician. He actively listens to patients and strives to “provide personalized care to each patient.” He loves “empowering them to enhance their well-being.” In his practice, he emphasizes the importance of prevention and finds it very fulfilling to care for the senior population.

In his down time, Dr. Zahid loves spending time with family and friends. He also enjoys staying active, practicing piano, and watching movies.
