

“I find it incredibly rewarding to support seniors through the challenges of aging.”

About Anuj Mehindru, MD

Dr. Anuj Mehindru is committed to providing care that is holistic, compassionate, and patient-centered. “Whether it’s through preventing complications, offering support during difficult health challenges, or helping patients manage chronic conditions more effectively, my goal is to make a lasting, positive impact on their well-being,” he says. Connecting with patients and problem-solving are his favorite parts of his profession. He wants patients to “feel comfortable and valued.” He adds, “I find it incredibly rewarding to support seniors through the challenges of aging.”

Dr. Mehindru likes reading, enjoying the outdoors, and spending time with family and friends to recharge. He also loves sports—anything from basketball to chess.
