“It is a pleasure to be a provider for the geriatrics population. I always wanted to make a meaningful impact and contribute to improving their quality of care and life.”

About Yahaira Rodriguez, MSN, APRN, AGNP-C

For over twenty-six years, Yahaira Rodriguez has been working in the healthcare field. She finds it very fulfilling to care for others. “It is a pleasure to be a provider for the geriatrics population. I always wanted to make a meaningful impact and contribute to improving their quality of care and life,” she says. She values open communication and strives to build trust with patients by asking open-ended questions, actively listening, and treating everyone with “empathy and compassion.” To keep up with the latest medical advancements, she often reads and attends medical seminars.

In her free time, Yahaira Rodriguez enjoys walking and exercising in the pool. She also loves history documentaries, especially about King Henry the 8th.
