#### **About Lina L. Gandara Lopez, APRN**

Lina L. Ganadra Lopez began her medical career as an Emergency Medical Technician in the US Air Force. She explains, “My main focus has been serving and advocating for our underserved population.” She adds, “It is a privilege to give the best care to seniors in our community by helping them overcome barriers to receiving care and addressing their complex healthcare needs.” She prioritizes building strong relationships with patients and encourages them to be active in the decision-making surrounding their care. “I always want to ensure my patients feel supported and respected throughout their medical care,” she says.

Lina loves spending her free time with her family. She also enjoys hiking, going on long walks, and gardening.
