**Medical Center**  
A CHENMED COMPANY

**“My approach to medicine is not just about addressing symptoms but about understanding the individual and their unique journey.”**

#### **About Rishi Sud, MD, MBA**

Dr. Rishi Sud has always had “a deep-rooted desire to make a tangible impact in people’s lives.” He explains, “My approach to medicine is not just about addressing symptoms but about understanding the individual and their unique journey. I am committed to creating a collaborative, respectful environment where patients feel comfortable asking questions and sharing their concerns.” Education and preventive care are key in his practice. He strives to empower patients and always treats them with empathy.

In his free time, Rishi loves cooking new recipes with his wife, enjoying the outdoors, and working to advance healthcare initiatives. Rishi also served proudly served as a physician in the US Army Reserve for ten years.
