

“As a provider, I am allowed into people’s lives and become an extension of them and their family.”

About David Tessier, MD

“Community engagement and stewardship” are two of Dr. David Tessier’s core values, which led him to pursue a career in medicine. He considers it a “tremendous honor” to get to know his patients and assist them with living happy, healthy, and independent lives. He aims to provide “high-value, empathetic care” that addresses all aspects of a patient’s health, including spiritual and emotional. “As a provider, I am allowed into people’s lives and become an extension of them and their family,” he explains. He strives to be accessible to patients. “My role does not stop at the clinic door,” he says.

In his spare time, Dave can be found bouldering or cheering at Columbus Crew soccer games with his partner and kids.
