

“I make sure they can talk to me in a safe and secure way.”

About Gary Eugene Michael, MD

Dr. Gabriel “Gary” Eugene Michael was inspired by his father to pursue a career in medicine. “As a boy, I heard my father’s stories as a physician while we ate supper every night,” he says. He prioritizes communication in his practice, explaining that he enjoys getting to know his patients and having open conversations with them. “I make sure they can talk to me in a safe and secure way,” he says. He uses accessible language when speaking to patients and strives to care for people in a way that allows them to maintain their dignity. He adds that he especially enjoys caring for the senior population.

In his down time, Dr. Michael enjoys gardening, reading, woodworking, painting, and traveling.
