

Raied Matte Hanna, MD

Dedicated Senior
Medical Center
A CHENMED COMPANY

“Love, accountability, and passion.”

About Raied Matte Hanna, MD

Dr. Raied Matte Hanna is thankful for the opportunity to care for the senior population, explaining that he has “great passion and enthusiasm” about caring for them. He strives to help maintain a functional society by “preventing complications of chronic disease.” To establish strong relationships with patients, Dr. Hanna treats patients with “love, accountability, and passion.” He also emphasizes the importance of utilizing “strong communication skills” when building trust. He wants his patients to know that he genuinely cares about them.

In Dr. Hanna’s down time, he enjoys playing basketball. He also likes staying up-to-date in the medical field by reading about the latest medical advancements.
