“I think by learning about their health and what they can do to feel better, this helps patients feel empowered in managing their conditions.”

About Maria Isabel Santos Rodriguez, MD

Dr. Maria Isabel Santos Rodriguez strives “to create a calm, respectful space where patients feel heard and valued.” She adds that she always takes the time to listen to patients and likes offering support. “I think by learning about their health and what they can do to feel better, this helps patients feel empowered in managing their conditions,” she explains. She enjoys conversing with patients and “finds it very rewarding” to care for those in need. “I’ve always wanted to help people feel better and improve their wellbeing. Working in medicine lets me do that everyday,” she says.

Dr. Santos loves cooking, baking, gardening, and reading in her down time. She also enjoys traveling when she has the opportunity.
