“Create a calming, confidential environment, where patients feel safe and supported.”

About Marile Parra Llabres, M.D.

Dr. Marile Parra Llabres loves learning from the senior population’s wisdom and life experiences. To build strong relationships with patients, she actively listens to their concerns and prioritizes “consistent, honest communication.” Dr. Parra explains that she aims to “create a calming, confidential environment, where patients feel safe and supported.” To accomplish this, she leads with “empathy and compassion.” She adds that she likes involving patients in the decision-making surrounding their care and strives to help them improve their quality of life.

In her free time, Dr. Parra loves playing soccer and enjoying the outdoors. She also enjoys caring for dogs and spending quality time with family and friends.
