“I like to practice what I preach.”

About Prasani N. Jayatilake, M.D.

Dr. Prasani N. Jayatilake, familiarly known as Dr. P. Jay, chose to pursue a career in medicine for several reason, but one of the most important reasons is her passion and ability to care for senior patients. She approaches each patient with a friendly face and likes to treat everyone as though they are a “family member or close friend.” Dr. P. Jay strives to ensure that everyone feels valued in her practice. “I like to practice what I preach,” she says.

In her down time, Dr. P. Jay loves spending quality time with her husband, kids, and dog. She also enjoys baking, cooking, and gardening. One of her newest hobbies is crocheting.
