About Robert Sean Rae, M.D., M.S.

Growing up, Dr. Robert Sean Rae became inspired to pursue a career in medicine by a physician in his neighborhood. He particularly enjoys caring for seniors, explaining, “It is incredibly fulfilling to help these patients navigate the healthcare system and support them in achieving a healthy, joyful, and high-quality life.” He explains that “trust, respect, and genuine connection” are key in his practice. “Through education, personalized care, and a proactive approach, I work alongside them to address potential health issues early [...] As a result, my patients are able to spend more time doing what they love,” he says.
