“I believe in listening carefully, explaining things clearly, and working together with patients to improve their health and quality of life.”

About Maria Gabriela Jimenez Mendez, FNP-C

Maria Gabriela “Gaby” Jimenez Mendez grew up in a family physicians who instilled in her a “deep sense of responsibility, compassion, and commitment” to serving others. She believes in providing “patient-centered care” and strives to “help patients feel more confident and supported in managing their health” by educating them on their diagnoses and treatments, encouraging preventive care, and maintaining open and trusting communication. “I believe in listening carefully, explaining things clearly, and working together with patients to improve their health and quality of life,” she explains.

Gaby loves spending her down time with her daughter and dog. She also enjoys playing the guitar, reading, and learning new things.
