“This connection is not just about healthcare; it is about creating an environment where patients feel valued and understood, paving the way for better health outcomes.”

About Anabel Disla Wallace, MSN, CRNP, FNP-BC

Anabel Disla Wallace’s desire to work in healthcare began at a young age and stemmed from her interest in the human body. “After providing healthcare servies and being profoundly impacted in my personal life by the art of serving others, I realized that I had chosen the right path,” she says. She finds it incredibly fulfilling to empower patients and stand by them through every part of their jealth journey. She elaborates, “This connection is not just about healthcare; it is about creating an environment where patients feel valued and understood, paving the way for better health outcomes.”

In her down time, Anabel can be found canvas painting with her mother, dancing, or enjoying the outdoors with friends and family.
