#### **About Yanelys T. Alarcon, APRN FNP-C, BSN, RN**

Yanelys T. Alarcon’s passion for “helping people improve their quality of life through compassionate, evidence-based care” led her to a career in medicine. She finds it particularly fulfilling to care for the senior population. “Working with seniors allows me to provide holistic care that addresses both physical and emotional needs,” she says. She prioritizes “trust, communication, and empathy” in her practice. “I take the time to understand each patient’s unique needs and goals, and I work collaboratively with them to create realistic, personalized care plans,” she explains.

In her free time, Yanelys T. Alarcon prioritizes activities that help her “recharge,” like spending time with family, enjoying the outdoors, and reading.
