

“I spend time with my patients and listen to them. I am sensitive to their concerns and take them into consideration when developing their treatment plans.”

About Samar Musmar, MD,

Board-certified physician Samar Musmar specializes in family medicine. She has extensive experience in primary care and chronic-disease care including international clinical experience. She has been actively involved in training medical students and new physicians for much of her career. Dr. Musmar has enjoyed working with the senior population since she began working in healthcare.

“I spend time with my patients and listen to them,” said Dr. Musmar. “I am sensitive to their concerns and take them into consideration when developing their treatment plans.” According to Dr. Musmar, seeing joy in her patients’ eyes when they feel better is what she enjoys most about her profession.
