

“I treat my patients the way I would like my parents, a senior family member or a friend to be treated by their healthcare provider.”

About Ana Velez, ARNP

Ana Velez is an advanced registered nurse practitioner. She earned her bachelor’s degree, magna cum laude, from the University of Puerto Rico and her associate’s degree in nursing from Polk State College in Winter Haven, Florida. She earned her master’s in nursing, summa cum laude, and an adult advanced registered nurse practitioner degree from Florida Southern College in Lakeland, Florida. Ana is a member of the American Association of Nurse Practitioners and the Polk County Advanced Practice Nurses Association.

“Patients are human beings with problems and concerns,” said Ana. “I treat my patients the way I would like my parents, a senior family member or a friend to be treated by their healthcare provider.”
